Where the Kingdom's hotel & hospitality industry reunites

The Hotel & Hospitality Expo Saudi Arabia is the Kingdom's largest and most influential trade event for the hotel & hospitality sector.

The event brings together the region's most powerful buyers who come to source innovative hospitality products and services, network with industry professionals and find inspiration. This is the perfect opportunity to elevate your brand presence in front of thousands of key buyers.

“

We have received a lot of great leads at the show. We had customers come in from Qiddiya today and we have customers coming in from Red Sea Global. These are the people we want to be connecting with to put our products in these hotel projects.

INDUSTRY INSIGHTS

The Saudi Arabia food service market size is projected to grow at a CAGR of over 8% from 2024 - 2032. Major contributors to this industry include food service retailers, catering service providers, and food trucks.

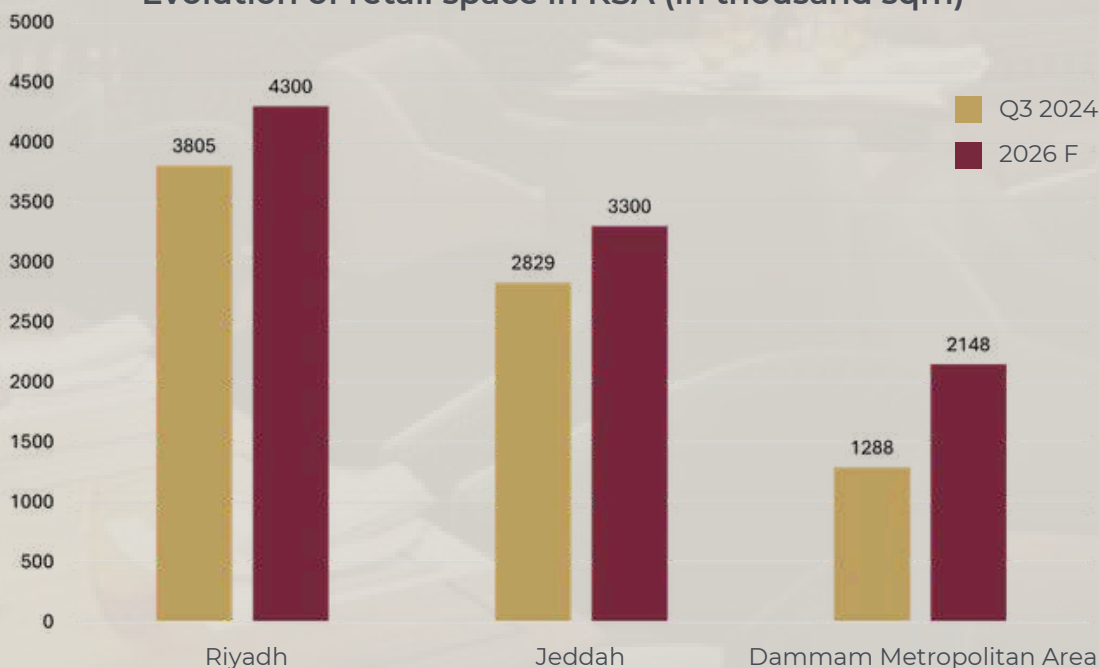

Saudi Arabia food service market size (in USD billion)

Saudi Arabia's retail market is undergoing significant growth, shaped by the development of entertainment and lifestyle retail. Over 50% of new retail developments are dedicated to experiential retail, as well as unique F&B concepts, many of which are new to the Kingdom.

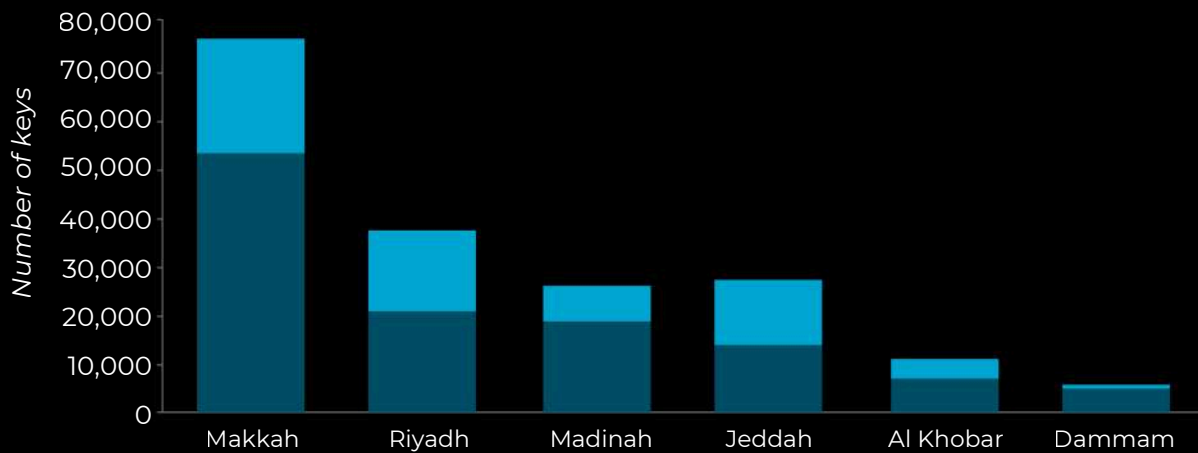

According to the Saudi Central Bank, SAMA, **SAR 16.55bn** was directed toward restaurants and cafes, highlighting the significance of this segment of the retail space and the importance of including unique F&B outlets to support retail offerings.

Distribution of hotel keys across major cities

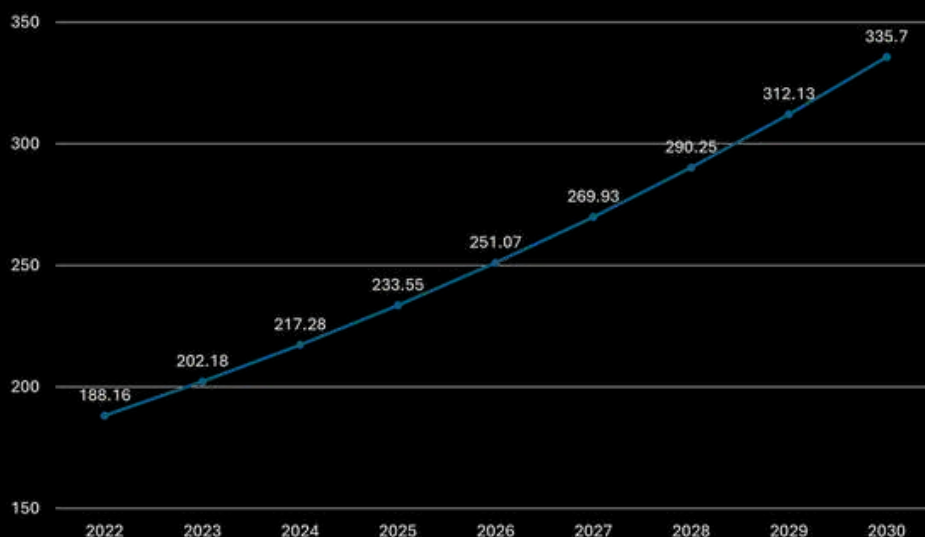

Existing supply Upcoming supply

*Upcoming supply includes projects that are under construction and in the planning stage.

The cloud kitchen market in Saudi Arabia, valued at \$157.0 million in 2020, is projected to reach \$335.7 million by 2030, growing at a CAGR of 7.7% from 2021 to 2030.

The Kingdom's dynamic food industry, alongside its flourishing business sector, presents significant growth opportunities for innovation and advancement in the food-tech sector, particularly in cloud kitchens. The expansion of the cloud kitchen sector is being driven by the nation's rapidly growing tourism industry. As the Kingdom continues to establish itself as a global tourist and business hub, especially with upcoming international events like Expo 2030, it will experience an increase in tourist arrivals and a greater demand for innovative food-tech solutions. Companies like Epik Foods and Kitopi are among the growing list of companies looking to capitalize on these growth opportunities presented.
